

UNITED STATES AIR FORCE

takes pleasure in presenting this

Certificate of Appreciation

to

Engineer Ahmed Jasim Abdul Ameer

For your successful completion of engineering requirements at Taji Military Base. You have proven yourself to be an excellent source for future construction projects in support of Operation Iraqi Freedom. Your initiative, resourcefulness, and willingness to cooperate contributed immensely to the successful completion of the 34th Brigade Latrine Renovation project.

Thank you for a job well done.

**JERROD P. McCOMB
Captain, United States Air Force
Senior Engineer Advisor
Logistics Military Advisory Team**
